

2022

ANNUAL REPORT

MISSION STATEMENT

The Mission of the Health and Educational Facilities Authority of the State of Missouri is to provide access to the capital markets in an effort to lower the cost of health and educational services in Missouri by providing high quality, readily available, low cost financing alternatives for Missouri public and private, nonprofit health and educational institutions.

The Health and Educational Facilities Authority of the State of Missouri, created by an Act of the Missouri General Assembly and operational in 1979, is empowered to make loans to any participating health or educational institution and to refund outstanding obligations, mortgages or advances issued, made or given for the cost of facilities.

The Authority is self-funded, has no taxing power and receives no financial support or appropriations from the State.

The Authority assists not-for-profit institutions in borrowing funds at the lowest possible cost to provide quality medical and educational services to Missouri residents. Interest paid on Authority bonds and notes is exempt from federal and Missouri state income taxation, resulting in materially lower interest rates for substantial savings on financing cost.

Many types of health care and educational institutions across the state receive financing assistance from the Authority. Health care financings have been arranged for health facilities ranging from fewer than 100 to over 1,000 beds, including acute and primary care facilities, teaching and research centers, osteopathic hospitals, retirement and nursing homes, specialized care centers and alcoholic rehabilitation treatment centers. Educational financings include public universities, liberal arts colleges, major research

universities and medical schools, institutions of specialized instruction, public school districts, private elementary and secondary schools and charter schools.

During 1995, the Authority was charged with developing guidelines for, and the administration of, the Direct Deposit Program, which provides strong credit ratings for Missouri school districts. The Authority also developed the HELP Program, which provides low interest loans to small and/or rural health care and educational facilities.

The Authority's bonds and notes do not constitute a debt or liability of the State of Missouri or of any political subdivision thereof, within the meaning of any State constitutional provision or statutory limitation. The Authority has no taxing power. The credit supporting any Authority note or bond issue is the credit of the individual borrowing institutions. The bonds and notes are limited obligations of the Authority payable solely from payments made by the borrowing institution.

The validity of the Authority's Act was upheld by the Missouri Supreme Court in Menorah Medical Center vs. Health and Educational Facilities Authority of the State of Missouri 584 S. W. 2d 73 (MO 1979).

LOGAN UNIVERSITY

As Chair of the Health and Educational Facilities Authority of the State of Missouri (MoHEFA) and on behalf of the Members and staff, I am proud to present the 2022 Annual Report of the Authority. Calendar year 2022 was another challenging year for MoHEFA. Foremost we note the loss of longtime Authority Member Judith W. Scott. Judith was a treasured Member for over 24 years serving stints in the late 1980's into the 1990's and again from 2007 into 2022. Her wonderful personality and vast experience provided great benefit to the Authority and she truly will be missed by all. We also want to congratulate another vital member of the Authority team as Toni Wilcox retires in mid-2023 after over 22 years as Administrative Assistant. We wish her the best in the future!

With respect to financing activity, 2022 saw lingering fallout from the COVID-19 pandemic with both health and educational institutions still working through the impact of the pandemic. In addition, interest rate spikes and uncertain financial markets contributed to slower than normal activity. Never-the-less MoHEFA was able to complete nine transactions totaling over \$850 million for various projects with a typical mix of health and educational; small and large; and urban and rural borrowers taking advantage of the available financing opportunities. Detailed information on the activities of the Authority is provided later in the report.

As always, MoHEFA is dedicated to providing a broad spectrum of financing options for a wide variety of borrowers in Missouri. In addition to traditional Authority bond issues, the Missouri School District Direct Deposit Program continues to be extremely popular and highly beneficial for Missouri public school districts, providing more than 25 years of high-grade credit enhancement and lower borrowing rates for local school districts. The Authority's HELP Loan Program also remains active and has funds available for small, short-term, simple loans to small local borrowers and is a valuable tool to meet such institutions' capital financing needs.

The Authority Members are honored to serve the citizens of the State of Missouri and especially the dozens of exceptional health care and educational institutions across the state. As 2023 progresses we anticipate that market conditions and borrower confidence will continue to improve and Authority activity will return to more typical levels. The Members as well as the staff and advisors look forward to another year of assisting Missouri's world-class health and educational providers with capital financing needs and the resulting reduction in costs of those services in Missouri.

Joseph A. Cavato
 Chair of the Authority

COMPASS HEALTH NETWORK

AUTHORITY MEMBERS

JOSEPH A. CAVATO - CHAIR

Mr. Cavato, a resident of University City, Missouri is the principal and owner of JAC Consulting, LLC, providing consulting and advisory services to local governments, non-profit agencies and real estate development entities. Services include program management, real estate and development planning, project management, financial advisory and intergovernmental relations. In addition to his long professional career in government and finance, Mr. Cavato has been very active in the community as an advisor, volunteer and board member of a number of educational, non-profit, religious and governmental entities. He has served as a board member of Cardinal Ritter College Prep High School, Barat Academy, Beyond Housing, the Missouri Workforce Housing Association and the Saint Louis University Urban Planning and Real Estate Development Program. Term as a Member expired July 30, 2013.

ROBERT D. (BOB) DOBSCH - TREASURER & MEMBER

Mr. Dobsch, a lifelong resident of Washington, Missouri, is the founder, President and CEO of Bank of Franklin County. Bob earned an associate's degree in Business Administration and went on to graduate from the University of Missouri with a bachelor's degree in Political Science with an emphasis in Public Administration/Public Finance. After working for Mercantile Bank for 21 years, Bob raised \$4.5 million in capital funds for Franklin Bancorp, Inc., formed the first Board of Directors for Bank of Franklin County, and chartered the De Novo bank in 2000. His leadership has led the Bank to grow total assets to over \$325 million, operate 5 locations and form a subsidiary, Missouri Valley Wealth Management. He has served on numerous civic and community groups including; Washington Area Highway Transportation Committee, Tax Increment Financing Commission, Comprehensive Plan Steering Committee, Union Area Chamber of Commerce, East Central College Foundation Board, Chairman of the Washington Town and Country Fair and Chairman of the Washington Historical Society Finance Committee. He served as President of Our Lady of Lourdes Parish Council as well as serving on their major gifts campaign committee. He then went on to work on the major gifts campaigns for St. Francis Borgia Regional High School and the Washington Historical Society's Share Washington's

Heritage campaign. Bob is currently the President of the Washington Civic Industrial Board where he also acts as Treasurer, and Treasurer of the Washington Industrial Development Authority. He is on the Board of Washington 353 Redevelopment and the Public Facilities Committee, a member of the St. Louis Archdiocese Pastoral Council and a member of the Washington Lions, Elks and Knights of Columbus organizations. Term as a Member expires July 30, 2027.

THOMAS E. GEORGE - VICE CHAIR

Mr. George, a resident of St. Louis, Missouri is the retired President of the International Brotherhood of Electrical Workers (IBEW) Local One in St. Louis. Prior to serving as President since 1998 he served various other roles for Local One including Registrar, Instructor, Business Agent, Organizer and as Trustee for several different funds. He is a lifelong Journeyman Wireman.

In addition to his professional career, Mr. George was elected to four terms as a Member of the Missouri House of Representatives from the 74th district representing a portion of north St. Louis County. He was Chairman or Vice Chairman of the Labor Committee, Workforce Development and Workplace Safety Committee and the Municipal Corporation Committee. His other committee memberships included Missouri Job Training Legislative Oversight; Local Government; Appropriation - Natural and Economic Resources; Insurance; Communications, Energy and Technology; and Employment Security and Unemployment Benefits Workers Compensation. He has been honored as the Thomas F. Eagleton Grassroots Democrat of the Year. Mr. George also served six years with the 138th Infantry of the Missouri National Guard. Term as a Member expired July 30, 2015.

COMPASS HEALTH NETWORK-WARRENSBURG

AUTHORITY MEMBERS

MICHAEL E. HENZE - MEMBER

Mr. Henze, a resident of Osage Beach, is the retired chief executive officer of Lake Regional Health System in Osage Beach, Mo. He joined the hospital in April 1990, and oversaw a dramatic expansion of services and capital improvements. During his tenure, three major expansion/renovation projects were completed that shaped the current LRHS campus.

This included adding a heart program, oncology services and a three-story patient tower to house intensive care, cardiac care and observation units. The clinic system also was developed to improve access to care. Mr. Henze served on the board of the Missouri Hospital Association (MHA), serving as chair of the Board of Trustees (2007), and on multiple MHA board committees, including the Federal Reimbursement Allowance, and Finance and Budget committees. He received MHA's highest honor, the Distinguished Service Award, in 2013 and its Visionary Leadership Award in 2004. He also served as a delegate to the American Hospital Association Regional Policy Board and as a member of the board of Healthcare Services Group, a medical malpractice carrier, serving as chair (2005-2008). Originally from Conway, Ark., Henze earned a bachelor's degree in business and economics from Hendrix College in Conway, Ark., in 1976, and a master's degree in business administration from the University of Central Arkansas in 1979. He served as controller at Marion County Hospital and Nursing Home in Yellville, Ark., and Hot Spring County Memorial Hospital in Malvern, Ark., before being named administrator of Hot Spring County Memorial in 1981. He joined Lake Regional Health System as CEO in 1990. Mr. Henze and his wife, Gerri, have three children and six grandchildren. They enjoy spending time with their family, fishing the White River in Arkansas and spending time on their farm in Macks Creek, Mo. Term as a Member expires July 30, 2024.

SARAH R. MAGUFFEE - MEMBER

Ms. Maguffee, of Columbia, Missouri, is an attorney and clerk to Judge Karen King Mitchell, Missouri Court of Appeals, Western District. She is a former partner at Husch Blackwell, LLP, in Jefferson City, Missouri, where she practiced law from 1996 to 2009, when she left to become a stay-at-home mother. At Husch, Ms. Maguffee

successfully counseled clients from such diverse industries as banking and finance, construction and land development, and manufacturing, regarding federal, state, and local environmental, health, and safety compliance, audits, self-reporting of violations, and enforcement actions. She also advised clients regarding environmental issues that arise in commercial transactions, including real estate deals and bankruptcy. Prior to joining Husch, Ms. Maguffee practiced law in Washington, D.C., where she represented chemical manufacturers and transporters on a variety of legislative, regulatory, and enforcement issues. A graduate of Bates College and the University of Michigan Law School, Ms. Maguffee served on the Board of Directors of the Food Bank for Central & Northeast Missouri for 9 years, the last 2 as Board President. She is currently President of the Board of Directors of the Mary Lee Johnston Community Learning Center in Columbia. She is active in King's Daughters and several other civic and charitable organizations. Governor Jay Nixon appointed Ms. Maguffee to the Missouri Health and Educational Facilities Authority. Term as a Member expired July 30, 2013.

MERCY

RESOLUTION 2022 - 34

RESOLUTION OF THE HEALTH AND EDUCATIONAL
FACILITIES AUTHORITY OF THE STATE OF MISSOURI
IN MEMORY OF THE LIFE AND OUTSTANDING SERVICE OF
JUDITH WANGELIN SCOTT AS A MEMBER AND
OFFICER OF THE AUTHORITY

WHEREAS, the Members, staff and advisors of the Health and Educational Facilities Authority of the State of Missouri note with great sorrow the death of Judith Wangelin Scott; and

WHEREAS, for almost 24 years, Mrs. Scott has given freely of her time, experience, educational and administrative expertise and unique insight to the Authority in the consideration, review, development and execution of its policies and practices and the administration of its affairs, including twice serving terms as Chair, Vice Chair and Treasurer of the Authority; and selection and design of the Authority's long-time office; and

WHEREAS, the Authority has been the beneficiary of her substantial dedication, vision, judgment and significant knowledge;

NOW, THEREFORE, BE IT RESOLVED, that the Authority hereby expresses its gratitude and thanks for the service of Mrs. Scott to the Authority; the health and educational institutions in the State of Missouri; and the citizens of the State; and the Members, staff and advisors of the Authority extend to Mrs. Scott's family condolences for their loss.

ADOPTED by the Health and Educational Facilities Authority of the State of Missouri this 7th day of September 2022.

Michael J. Stanard
Executive Director and Secretary
Health and Educational Facilities Authority
of the State of Missouri

The Authority assists health care and educational institutions in financing equipment purchases and capital projects at the lowest possible cost. Financing options that the Authority offers to Missouri institutions consist of the following debt instruments:

VARIABLE FLOATING RATE BONDS

While these instruments have a nominal long-term maturity, the interest rate is adjusted periodically (usually daily or weekly). The borrower is able to take advantage of low short-term rates, but also, if conditions warrant, to lock in a fixed interest rate without many of the costs associated with a new issuance of bonds.

FIXED RATE SHORT TO INTERMEDIATE TERM BONDS

A variation of traditional fixed rate long-term bonds, these fully amortized bonds are for borrowers who desire shorter prepayment provisions and can generate sufficient revenues to retire the principal over a shorter maturity. The bonds are generally issued for periods ranging from 10-15 years, with a 5-8 year prepayment provision.

FIXED RATE LONG-TERM BONDS

These traditional 20 to 60 year fully amortized term bonds are issued at prevailing market rates. This type of instrument offers the security of fixed rates and the opportunity to stabilize interest costs in a volatile market while matching a longer term liability with the expected useful life of the asset.

FLOATING OR FIXED RATE NOTES

The interest rate on these one to two year notes either floats, with the rate adjusted periodically, or is fixed for its term. The borrower is able to take advantage of lower interest rates while planning long-term financing according to projected needs.

REFUNDING OF PRIOR DEBT

Health care and educational institutions often refinance to take advantage of lower interest rates in the market place than existed at the time of prior financing. Similarly, such institutions often wish to avoid restrictive covenants or collateral requirements contained in a prior financing that would no longer be necessary in a new financing. The Authority has the ability to issue “current refunding bonds” which can accomplish these goals. Such bonds often can be issued to refund the institution’s obligations even if the Authority was not involved in the original financing. Current refunding depends on the terms of the prior financing, current market conditions, existing bond holders and timing, and require that the prior bonds be redeemed within 90 days of issuance of the new bonds.

PROGRAMS

MISSOURI SCHOOL DISTRICT ADVANCE FUNDING PROGRAM

In 1985 the Authority and the Missouri School Boards Association established the Missouri School District Advance Funding Program to provide the lowest cost financing available for Missouri school districts and public community junior colleges to fund any cash flow deficits that might occur in their various funds during the fiscal year. Some of the advantages of participating in the program include low borrowing rates, high investment rates, costs of issuance shared by all participants and easy access to funds. Since 1985, almost \$1.18 billion has been loaned to participants under the Advance Funding Program.

HELP! PROGRAM

The Authority, recognizing the difficulty that small providers of health care and educational services experience obtaining adequate financing for their capital needs, in 1995 created the HELP! Program to provide these organizations access to low cost loans. Through the HELP! Program, the Authority loans up to \$500,000 for a maximum of ten years at attractive interest rates to small health care and educational providers. 55 institutions have taken advantage of the benefits of this program for a total of over \$17.4 million in loans.

HIGHER EDUCATION WORKING CAPITAL LOAN PROGRAM

During 1997, the Authority established the Higher Education Working Capital Loan Program to help alleviate cash flow difficulties that are typically experienced during part of each fiscal year by higher educational institutions. The Program allows participating institutions to borrow money under an advance funding agreement to provide funds during that portion of its current fiscal year when funds are not yet on hand to pay expenses as incurred.

As of December 31, 2021, \$243.2 million of notes have been issued under this program.

DIRECT DEPOSIT PROGRAM

In 1995, the Missouri Legislature adopted Senate Bill No. 301 which sets forth the development of a program to assist Missouri school districts with their financing needs. The Direct Deposit Program, administered by the Authority, provides a major benefit to school districts issuing general obligation bonds.

In an effort to improve the credit quality of all school districts in Missouri, the Program, effectively, provides for credit enhancement by authorizing the direct deposit, by the State of Missouri to a bank serving as trustee, of a portion of state aid payments that would otherwise be paid directly to the involved school district. The direct deposit amount is equal to debt service on the school district bonds. This procedure results in a credit rating in the second highest rating category (i.e. "AA+"), resulting in attractive interest rates on the bonds at no additional cost to the participating district.

As of June 30, 2022, a total of 3,030 financings have been processed through the program, representing \$18.3 billion of bonds issued benefiting school districts in all Missouri counties and the City of St. Louis.

IMPACT ON MISSOURI ECONOMY

A Study recently was completed by IHS Markit Economics as to the economic impact of MoHEFA's bonds on Missouri's economy in terms of jobs, construction, purchasing, utilities and other matters. The Study considered the recent ten year period and determined the following:

- MoHEFA issued \$5.62 billion (\$562 million annually) in new financing for construction and capital projects for health and educational facilities throughout Missouri
- These financings boosted the labor market growth and supported 6691 jobs annually with wages above the State average
- Similarly, MoHEFA financings in that period supported \$362 million in labor and \$473 million in GDP annually
- Additionally, during MoHEFA's early history, 1979-2006, bond issuance supported annual totals of 5916 jobs, \$412 million of GDP and \$339 million of labor income
- The projects financed create long term economic value through the health and educational services provided by the institutions thereby increasing the quality of life in Missouri and the competitiveness of the State
- Health and education is the second largest employment sector in Missouri accounting for 16% of the State's employment
- Had these financings not been completed over the last ten years, Missouri could have lost another 2967 construction jobs
- MoHEFA's financing options provide low-cost financing for capital projects when needed most and even in challenging economic times
